

1990 Census of Population and Housing
Summary Tape File 1A
COMPLETE TABLES

for cities and places in Sonoma County

Information provided on Summary Tape File 1A comes from questions asked of every person and housing unit during the census. It includes population data on household relationship, sex, race, age, marital status, and Hispanic origin. Housing data cover number of units in structure, number of rooms in unit, tenure (owned or rented), value of home or monthly rent, persons per household, and vacancy characteristics.

The concept of race as used by the Census Bureau reflects self-identification; it does not denote any clearcut scientific definition of biological stock. The racial categories used are 1) White; 2) Black; 3) American Indian, Eskimo or Aleut; (4) Asian or Pacific Islander; and 5) Other Race. The "Other race" includes provisions for a write-in space.

Persons of Hispanic origin are those who classified themselves in one of the specific Hispanic origin categories listed on the questionnaire. "Mexican," "Puerto Rican," or "Cuban" as well as those who indicated that they were of "other Spanish/Hispanic" origin. Hispanic origin can be viewed as the ancestry, nationality group, lineage, or country of birth of the person or the person's parents or ancestors before their arrival in the U.S. Persons of Hispanic origin may be of any race.

Urban/rural status was not determined before the release of STF1A in May 1990. Therefore, data for urban and rural will be represented by "---" to indicate the data are not defined for this file.
